LET'S KEEP IN TOUCH WITH ONE ANOTHER

Every member of **GOD'S HOUSE OF PRAYER** is urged to keep in touch with your brothers and sisters in Christ who are a part of this Christian fellowship. Whenever you need pastoral service, please call either Pastor Joseph Earle Lloyd or Pastor Warner G. Walker, Sr. If neither of them is available and you have been assigned to a Deacon, please call that person. When illness or death occurs in your family and you need the comfort of your Christian family, don't suffer in silence. Call some of us.

One of the benefits of belonging to a Christian congregation is having access to the fellowship of kindred spirits. When God saw that Adam was alone, He created Eve to be his companion. We, too, were created to live in fellowship with God and other human beings. Therefore, let us befriend one another as brothers and sisters in Christ. Before you leave the building today, introduce yourself to someone you do not know yet. Then, do everything within your power to sustain a relationship with that person. Make a new friend!

ARE YOU LOVING GOD IN YOUR GIVING?

"Remember that the person who plants few seeds will have a small crop; the one who plants many seeds will have a large crop. You should each give, then, as you have decided, not with regret or out of a sense of duty; for GOD loves the one who gives gladly."

2 Corinthians 9:6-7
